Daniel 3.79-81

3 o'clock Service today in Deddington

Our theme today is St Francis of Assisi. Famed for a love of animals.

Can you find representations of animals in church?

We will have a break in August, starting again in September, when the service will take place on the **second** Sunday of the month instead of the first, as follows: September 8, October 13, November 10 and December 8.

At 6pm we have Choral Evensong in Deddington Church with music by *Ebdon, Flintoft, Brewer and Archer*. In August our choir take a well-earned break and there will be no service of Evensong. Resuming the usual pattern, Sung Evensong will take place on Sunday September 1st.

ECO CHURCH Help hedgehogs in hot weather. Hedgehogs particularly need help in a heatwave, as their usual prey of slugs, snails and worms are often unavailable. Leaving out a juicy snack, such as mealworms or canned dog food, can help in sustained warm weather. If you have a garden pond, ensure there's always a way for hedgehogs (and other small mammals) to climb out if they fall in.
